GOULD DROPPED TWO BETHEL AND VICINITY GAMES LAST WEEK

TAKES 45-22 VERDICT

Last Friday night Norway High School won a hard fought game over the Gould quintet by a 28-24 count. The locals, were leading 6-5 at the quarter and 16-15 at the half but a third period rally sent Norway into public card party with 10 tables a 23-20 lead. The only man on the play was held at I. O. O. F. Hall Gould team to show up to true form was Allen, who played a good game on both offense and defense. The rest iblical Governor in the D. S. Brooks of the team seemed way off color, Browne's passing and shooting was poor while McNally played a listless game, doing a great deal of poor thinking or none at all. Lane seemed unable to hang onto the ball and fumbled pass after pass, while Martinson's passes were intercepted as fast as they were attempted. It looked e in Milan, N. II. Church work and church attendance mean the cultivation of the habit of feeling some responsibility for others.

III. There are enough holidays for most of us. Sundays differ from other holidays in the fact that there are fifty-two of them every year—therefore on Sundays go to church.

IV. Yes, I know all the excuses. I know that one can worship the Creator in a grove of trees, or by a running brook, or in a man's own house just as well as in a church. But I also know, as a matter of cold fact, the average man does not thus worship.

V. He may not hear a good sermon at church. He will hear a sermon by a good man who, with his good wife, is engaged all the week in making

VI. He will listen to and take part in reading some beautiful passages from the Bible. And if he is not familiar with the Bible, he has suffered a Mrs. A. T. Heath.

VII. He will take part in singing some good hymns. VIII. He will meet and nod or speak to good, quiet neighbors. He will come away feeling a little more charitably toward all the world, even toward those excessively foolish young men who regard church going as a soft per-

Yes, It's About Time! The main topic of interest around town is about the budget to be brought before town meeting. The budget report ought to be presented to the public two or even three months before hand. Then it could be thrushed out pro and con to the information of everyone. When the report is presented just a few weeks before town meeting there is an informed few who do all the talking for the recommendations and while many instincfively resent having to swallow some of the items whole they haven't time to gather the information necessary to combat the few who are "in the town pays for.
